**REPORT NARRATIVE****ORIGIN:**

On Saturday 09-29-28, at about 0658 hours, Officer Flores and I responded to a radio call to "contact the reporting party" for a petty theft incident that occurred at 320 Crouch St, City of Oceanside, County of San Diego.

**OFFICERS OBSERVATIONS AND ACTIONS:**

I called the reporting party, [REDACTED], and he informed me his brother, Gregory Miller, left a voicemail on his phone threatening to take his license plates if he did not give Gregory a ride to Ramona. I told [REDACTED] I would need to speak to him in person to take the report. [REDACTED] met me at his residence located at 320 Crouch St.

Upon arrival at [REDACTED] residence, I obtained his statement and he stated he desired prosecution for 488 PC - Petty Theft of his license plates. [REDACTED] signed a Citizen's Arrest for Gregory Miller. The voicemail was later attached to OPD's digital OIM Evidence (see statement for details).

Officer Flores and I then went to the location [REDACTED] stated that Gregory resided at. [REDACTED] stated he resided at a truck with a camper located at 634 Camelot Dr. Upon arrival at the location, Yellow Taxi, Officer Flores and I were informed by an unknown employee from a neighboring business that a white homeless male resided across the street located at 2521 Oceanside Blvd, just West of the business.

Officer Flores and I walked across the street and contacted a subject wearing a blue jacket and tan pants, later identified as Gregory Miller. Gregory saw us and began walking up the embankment of the parking lot. I told Gregory to stop and he said "why? What do you want?" as he walked away going North up the embankment. Gregory stopped and Officer Flores told Gregory to sit down on the curb. Gregory complied and sat on the curb while we asked investigative questions. When asked what his name was, Gregory stated "Donald Trump." Officer Flores asked him about his brother, [REDACTED], but he denied leaving voicemails or stealing license plates.

At this point, Gregory gave implied consent to search his encampment for the license plates. I then searched Gregory's encampment. I did not find any license plates at his encampment. I walked back to Gregory and Officer Flores, and Gregory admitted to stealing [REDACTED] license plates and stated he put

them in the bushes near [REDACTED] residence. At about 0811 hours, Officer Flores told Gregory that he committed a theft and to put his hands behind his back. Gregory said "No I'm not," and Officer Flores asked why, and Gregory responded by mumbling "because I'm going to give them back" Officer Flores then told Gregory again to put his hands behind his back. Gregory stood up and began running and then jogging away. Officer Flores called for a cover unit at about 0812 hours. Officer Flores stated "Get down on the ground, or you're going to get tased." At this point, Gregory stopped for a second, then started jogging while facing us. Given my training and experience, I know it is common for fleeing arrestees to become combative if they do not think they will get away, so I pulled my Taser out. I pointed my Taser at Gregory, and turned the safety mode off. Officer Flores then pushed Gregory onto the floor. Gregory and Officer Flores both fell to the ground, and over an orange construction mesh fence. I did not deploy my Taser, I placed it on the ground to help Officer Flores roll Gregory onto his stomach. I told Gregory to put his hand behind his back, but there was no response because he was unconscious. I grabbed his left arm out from underneath him, and assisted Officer Flores as he applied handcuffs. I immediately searched Gregory for weapons and emptied his pockets. Officer Flores and I put Gregory in the recover position, and I went to the car to grab the First-Aid kit. At about 0818 hours, OFD arrived on scene and Gregory gained consciousness. OFD began giving medical treatment. Gregory was transported to Scripps La Jolla Hospital Trauma Center by Unit #213 and cared for by [REDACTED]. Gregory's vital signs and breathing were normal.

[REDACTED] . [REDACTED] stated Gregory would be admitted at the hospital for over 24 hours for treatment. Officer Flores and I then released Gregory into Scripps La Jolla's custody at about 0955 hours and filled out a warrant for Gregory's arrest.

Officer Flores later contacted Scripps La Jolla medical for a medical update regarding Gregory (see Officer Flores' statement for details).

Based on [REDACTED] statement, the voicemail, and Gregory's statement, I determined there was Probable Cause to arrest Gregory for PC 488 Petty Theft. Based on the injuries officer Flores sustained during Gregory's attempt to flee from being arrested, I determined there was Probable Cause to arrest Gregory for PC 69 Resist or Delay arrest with Violence or Injury.

#### NARRATIVE

On 09-29-18 at 0825 hours I responded to an FET request at 624 Camelot. I arrived and contacted Officer A. Flores. He directed me to an ambulance and said that the subject on the gurney inside was Gregory Miller. Officer A. Flores said that Miller had sustained a head injury and that he was being transported for treatment. He requested I photograph his injuries.

I entered the ambulance and spoke with the paramedics. They said the only injury identified on his person was on the right side of his head and directed me to bleeding in the ear area. I observed blood smeared in and around his right ear. The specific margins of the injury were obscured. I took overall and identification photographs of Miller. I photographed the area of bleeding with and without scale.

After exiting the ambulance I contacted by Officer A. Flores who directed me to the north side of 624 Camelot and a trailer parked on the property and told me that that was where the incident began. He then directed my attention west, across Camelot to the east edge of the corner property located at 2521 Oceanside Blvd. There was orange plastic construction fencing along the east gutter of that property. A cut sweatshirt, small food and paper items, a BIC lighter, a cell phone removed from Miller's pockets and a small area of blood staining on the asphalt were located at the south end of the orange fencing. Officer A. Flores said that this was where Miller had fallen. He requested overall photographs and said he would collect Miller's property to be released back to him at the hospital. I took overall photographs of the area and the proximity of the two addresses from one another. I photographed Miller's property and the blood staining on the asphalt.

Lastly, I asked Officer A. Flores what injuries he sustained during the incident. He directed my attention to scuffs on the front of his left lower pant leg. The knee area of his pants was torn through and he had bleeding abrasions on the front of his knee. Officer A. Flores also had nonbleeding abrasions on the front of his right knee. Officer A. Flores had a scrape on the top side of his right thumb. The upper half of the back side of his pants were also scuffed and dirty. I took overall and identification photographs of Officer A. Flores. I photographed his injuries and damage to his uniform, with and without scale.

All photographs were later uploaded to the digital OIM Evidence system.

### INDIVIDUAL/S

### REPORT NARRATIVE

#### ORIGIN:

On Saturday 9-29-18 at approximately 0658 hours, Officer Tidd and I responded to a radio call to contact the reporting party for the theft of his license plates at 320 crouch St in the City of Oceanside County of San Diego.

#### OFFICERS OBSERVATIONS AND ACTIONS:

Prior to arrival Officer Tidd contacted the reporting party who was identified verbally as [REDACTED]. [REDACTED] essentially said that his brother whom he identified as Gregory Miller stole his license plates from his vehicle parked in the driveway. See Officer Tidd's report for further details.

I listened to the voicemail left by Gregory on [REDACTED] phone. Gregory stated he was going to steal the license plates off of [REDACTED] vehicle unless he gave him a ride to pick up a vehicle in Ramona. The voicemail was later attached to OPD's digital OIM Evidence. See voicemail for further details. While on scene I looked through the ARJIS database and located Gregory Millers photograph. While I was looking at my work phone, Daniel pointed to the picture and said that's my brother as I had my phone in my hands.

Officer Tidd completed her investigations and determined Gregory may be at 624 crouch St. Officer Tidd and I drove to the location and attempted to contact Gregory. Officer Tidd and I were told he lives in a truck with an RV attached to it. Officer Tidd and I located a truck on the north side of the business but it was unoccupied. Officer Tidd and I contacted an unknown employee from the neighboring business who stated the male we were looking for may be in the brush line north of the business at 2521 Oceanside Blvd.

While talking to the employee I noticed a white male wearing a blue sweater and tan pants moving in the brush line. Officer Tidd and I approached the area and saw a white male exit the brush and start walking north toward Oceanside Blvd. I immediately recognized the male who exited the brush line to be Gregory Miller. Officer Tidd and I directed Gregory to sit on the north curb line of the parking lot to the business. Gregory responded, "What do you want," as we instructed him to sit on the curb. Gregory eventually complied after being told multiple times. While I talked to Gregory, Officer Tidd walked over to the area where Gregory exited and looked for the missing license plates. Officer Tidd was unable to locate the plates.

I spoke with Gregory and confronted him about the theft of the plates. After a discussion with Gregory regarding the ongoing issues with his brother, he admitted to taking the plates off of [REDACTED] vehicle because he did not give him a ride to pick up a car. Gregory also stated he left [REDACTED] license plates in the brush a few houses away from [REDACTED] residence. See Gregory's contact on my OPD issued Body Worn Camera.

Based on the statement from [REDACTED] and Gregory and the theft of [REDACTED] license plates, the signed citizen's arrest from [REDACTED] for the incident, I determined Gregory was under arrest for PC 488 Petty Theft.

Gregory wanted to return the plates to [REDACTED] and not get arrested for the incident. Gregory asked if he could go and get the license plate as he attempted to start getting up from the curb. I told Gregory to sit back down and he did so. Gregory and I continued talk about why Gregory took the license plates off of his brother's vehicle. Gregory was told to put his hands behind his back. (4:35) On Body Camera). Gregory responded by saying "No I'm not." I proceeded to ask Gregory why he was not going to. Gregory responded by saying, "he was going to give them back," in reference to the license plates. I told Gregory to put his hands behind his back again (4:46).

Gregory stood up and immediately started running east through the parking lot. As Gregory started to run, he continued to look back at me and Officer Tidd. I immediately requested an additional unit to respond to our location. I told Gregory he needed to stop or he was going to get tased. Gregory looked back at me and continued to flee east through the lot. I holstered my Taser as he approached the eastern driveway of the parking lot which was blocked with approximately 2 foot tall construction fencing. I continued to run right at Gregory, reached out, used my momentum, both hands, and pushed Gregory backwards as he turned around to face me. Gregory fell backwards to the ground and hit the right side of his head on the concrete while I landed on top of him. When I landed on the ground I struck both of my knees on the concrete. Gregory lost consciousness when he hit the ground. Gregory was placed in handcuffs. Gregory was moved to the recovery position on his right side. I requested for a supervisor, FET and the paramedics to respond to the incident.

OFD arrived on scene and I informed them of Gregory losing consciousness from the incident. OFD Immediately started to provide first aid to Gregory for his injuries. Officer Winship arrived on scene and I informed her of two potential witness in the area of 624 Crouch St who were outside when the incident occurred.

F.E.T Bunn responded to the scene and photographed the injuries to Gregory prior to him being transported to Scripps La Jolla Trauma Center. F.E.T Bunn also photographed the scene where the incident occurred.

I sustained a tear in my pant legs on the left leg on the knee. I sustained abrasions on both my left and right knee and an abrasion on my left thumb. I also had a complaint of pain and tightness to my left knee approximately 1 hour after the incident. I declined medical attention on scene for my injuries. F.E.T Bunn photographed me and my injuries on scene. See F.E.T. Bunn's report for further details.

Officer Tidd rode with Gregory in the ambulance to Scripps La Jolla. I later drove our patrol vehicle down to Scripps La Jolla and contacted Officer Tidd. Officer Tidd contacted [REDACTED] who stated Gregory sustained [REDACTED] and was going to be admitted into the hospital for the injuries.

I informed Sergeant Mendoza of the injuries that Gregory sustained from the incident and what [REDACTED] initial observation was. Sergeant Mendoza advised Officer Tidd and I to release Gregory to the medical staff at Scripps La Jolla medical. Gregory was released at approximately 0955 hours.

I contacted the emergency room front desk at approximately 1659 hours and staff stated Gregory sustained [REDACTED] and was conscious but unable to speak at the time of the call. I requested for the medical staff to contact OPD when Gregory was going to be released from the hospital.

See Officer Tidd's report for further details.

See Body Camera footage on the Digital Evidence Management system for details.

## INDIVIDUAL/S

## REPORT NARRATIVE

On 092918 at about 0800 hrs I responded to the 600 block of Camelot St reference a Use of Force.

When I arrived I observed a WMA identified as Gregory Miller, being treated by OFD. I spoke with Officer Flores who essentially stated that he was going to handcuff Miller for PC 488, when Miller fled. Officer Flores caught up with the suspect. When the suspect turned towards Officer Flores, Officer Flores was in a position to push Miller in an attempt to stop him from fleeing. This caused both Miller and Flores to fall to the ground. Miller hit his head on the ground rendering himself unconscious. Refer to Officer Flores' report for further details.

Officer Winship was onscene after the incident was over. She canvassed the area for witnesses, however there were none.

FET Bunn responded and documented the scene.

When Miller awoke from being unconscious, he was not able to speak, therefore I did not interview him related to the incident.

I reviewed Officer Flores and Tidd's BWC prior to completion of this report.
